

KANSAS REINING HORSE ASSOCIATION

2017 YEAR END STANDINGS

Year end awards are based on KRHA shows only, and does not include shows that are offered for affiliate finals points but are hosted by other affiliates. Thus, the KRHA Capital City Classic June 3-4 and KRHA Sunflower Slide Sept. 15-17 are the shows where year end points can be earned. To be eligible, you begin earning points after your membership has been paid. You must compete in at least half of the slates in which the class is offered (i.e. non pro is offered in 4 slates, you must compete in 2 of those slates). Points are based on horse/rider combinations. Open divisions are based on open rider and not horse/rider combination. In the event an open rider shows more than one horse in an open class, points from the highest placing ride in the class are used.

Riders are free to compete in as many divisions as their eligibility permits. If a rider wins more than one division, they will receive one award that recognizes all the divisions.

Riders must also either work 4 volunteer hours at KRHA shows or be a \$100 sponsor. Riders age 13 & under are exempt from the volunteer and sponsorship requirement.

Points are calculated utilizing the NRHA Youth point system. No scores and zeros do not count. In the event of a tie, the tiebreaker will be based on the rider participating in the most classes in that division. If a tie still exists, the rider with the highest judge's score in the last class the rider competed in will be used.
